

EBARA PRECISION MACHINERY MALAYSIA started the operation

2023.06.15

Office and Plant, Opening Ceremony

EBARA PRECISION MACHINERY MALAYSIA SDN. BHD (EPMM) in Penang, Malaysia held an opening ceremony for the office and plant on June 13. The ceremony was attended by 80 people from both inside and outside the company including Mr. Chow Kon Yeow, Governor of Penang, as the chief guest. Tetsuji Togawa, President of the Precision Machinery Company of EBARA CORPORATION, attended and gave a congratulatory speech as well.

Overview

In Malaysia, in recent years, new and expanded investments have been made in the fields of electrical and electronic components such as semiconductors mainly in Penang State. EPMM was newly established as a base for the Precision Machinery Company and will develop sales and support. We will provide enhanced services from a market-in perspective for our customers in there and strengthen our supply chain throughout Southeast Asia, particularly in Malaysia.
